Feb 17, 2022 Leesburg, Virginia. Approved for release:

**March 7-10, 2022: EIT Avionics, LLC will be at Booth #3905 for HAI Heli Expo at the Kay Baily Hutchison Convention Center in Dallas, TX.**

Stop by BOOTH #3905 and see our Flight Operations Data Recorder (FODR) which is STC and PMA approved for the Robinson R44! Learn about our forthcoming ED-155 data recorder! See how our HFDM and new SMS solutions can save you time and money.

The EIT Avionics FODR® is our HFDM data recorder solution capturing 21 channels 5 x per second. Uniquely, FODR® interfaces with ESAID, a display and annunciation device, to enhance IN FLIGHT situational awareness of critical parameters, and includes FODR View user software.

ESAID® calculates density altitude, power, hover and airspeed performance limitations twice per second, giving the pilot unprecedented situational awareness. FODR® and ESAID® are FAA STC approved on the Robinson R 44 II helicopter.
